How to end the daily school lunch madness

9 o'clock. School's in.

Do your teachers have to spend the first 15 minutes of each day sorting out students' hand-scribbled lunch orders and payments? Is your front desk a sea of brown paper bags? Do you have trouble finding canteen staff or a healthy school lunch supplier? Is there a mutiny on the horizon from Mums and Dads?

Now there's a hassle-free way to feed the hungry hordes at school - School Lunch Online.

A flexible and secure web based service that makes planning, tracking and placing lunch orders as quick as a click of a button.

Not only do kids eat well, but it gives time-poor parents a bit of breathing space in the mornings and lets your hard-working teachers focus on doing what they do best – teaching.

Even better, staff can use the service too. So they can enjoy a healthy lunch in the peace and quiet of the staffroom.

Bliss!

A lunch service that lets your teachers focus on teaching.

How we help make your school more efficient

- Absolutely no cost for the school
- No administration for lunch order collection
- No more classroom disruptions due to money handling and order taking - all orders and payments are dealt with online
- Simplified distribution of lunches via common labelling system
- Direct involvement with menu options via our innovative online survey - your school sends parents the survey link. It helps establish specific menu needs, so you can get options right from the outset
- The opportunity to raise additional funds with promotions

The easy way to manage school lunch.

As easy as 1,2,3 (well, 1,2,3,4 really)

Joining is absolutely effortless for schools, with minimum work required to set up or maintain the service.

1. Register your school with School Lunch Online
2. Choose your own lunch supplier or we'll help find you the right one
3. Let families know about the online ordering service (via school website or newsletter)
4. Decide on a menu, delivery and distribution point at school
